Chapter Social

WHERE: Hoppin' Vines
8150 Montgomery Rd., Kenwood, OH
WHEN: Thursday, 22 September 2022
TIME: 1700 Social Time

One of the stated purposes of our Chapter is to foster fraternal relations among retired, active and former officers of the uniformed services. To that end, we are planning to host a convivial gathering of all current, new and prospective members in the Greater Cincinnati Chapter MOAA area on 22 September starting at 5pm. The venue for this Happy Hour event will be Hoppin' Vines, 8150 Montgomery Road (45236). This popular bar and eatery is located just east of the Kenwood Towne Center and was recently named the "Best Bar in Cincinnati" by Cincy Beat Magazine. It features a wide array of local craft beers, fine wines, top-drawer spirits and good bar food. It also offers duckpin bowling which provides all the fun of traditional bowling without the smelly, rented bowling shoes. There will be a nice spread of hors d'oeuvres and refreshments; and, at some point, we'll present a short overview of our Chapter's mission, makeup and activities. As already noted, however, the evening will be devoted primarily to fostering fraternity and camaraderie among Officers of the Uniformed Services. Hope to see you on there! "If you get a chance, please RSVP to Dan Shea, dshea@cinci.rr.com or 513-254-9336.

From the President

As discussed in previous comments, I reported that Kym Mader will be stepping down as newsletter editor and webmaster at the end of the year. Kym has done a wonderful job and the chapter has received 5-star awards from the national office of MOAA for both the newsletter and the website. Thank you, Kym! Matt Wenzel has agreed to take over the website and we have identified a website provider. Thank you, Matt! Robert Croskery had agreed to take the newsletter. Because his property suffered some damage and he is very busy supervising the reconstruction, he will be unable take over the newsletter next January. As a result, another volunteer is needed to be the newsletter editor. In the future we plan to have the newsletter issued 4 times per year about 2 months before the quarterly membership meetings in March, June, September and December.

In the last newsletter, I discussed a planned membership/recruiting meeting planned for Friday September 15 at Hoppin' Vines (<https://www.hoppinvines.com>). The date for this meeting has been changed to September 22. This can be a great social gathering as it will foster comradery! We will meet and greet old friends and hopefully new members. It would be helpful to bring friends who are eligible for membership in MOAA. Major General Hahn who is the president for the Ohio Council of Chapters plans to attend. In addition to recruiting new members, we also need to be recruiting new board members who can support our organization's activities.

In preparation for next year's 50th anniversary, Roger Argalas and I will be exploring river cruises this summer and we will take one or two dinner cruises in September or early October. If you want to accompany us during these cruises, drop me a line wheitbrink@gmail.com or phone me at 319 331 2466.

Our annual dining out event is being planned for November 5th. Hank Gurry and Steve Drefahl have identified an excellent speaker. The speaker is Mr. Julian Smith, a WWII Merchant Marine veteran from Dublin, OH. Mr. Smith served on six merchant ships in WWII, making four trips across the Atlantic, one trip across the Pacific, and also served in the Mediterranean. He then served in Japan after the war. He has some amazing stories and experiences. This will be an interesting talk. A Dining Out is a traditional, relatively formal military function that includes spouses and guests. The dress is appropriate service Class A or civilian business attire. This event will occur at Highland Country Club, 931 Alexandria Pike, Ft. Thomas, KY 41075 on Saturday, November 5, 2022. At 1800, no host social will commence and at 1850, mess call will occur. Planning for this event is nearly complete and the details will be presented in the next newsletter.

Kym Mader revealed that a number of individuals are still receiving this newsletter through the mail. It is far more cost-effective to obtain your copy of the newsletter via an email which has a hyperlink to our website. Please inform Dan Shea (dshea@cinci.rr.com) of your email address so that practically all of the newsletters can be distributed digitally.

Coast Guard's First Woman Leader Showcases the Service's Strengths, Priorities

(by Mark Belinsky, Nat'l MOAA)

The Coast Guard's June 1 change-of-command Ceremony did more than install the first woman service chief in our country's history - it highlighted some of the priorities and challenges the service will face in the coming years, both externally and from within.

"The demand for the U.S. Coast Guard has never been higher," said Adm. Linda Fagan, who took over as commandant from the retiring Adm. Karl Schultz. "Tomorrow will look different, and so will we."

Army Forms 11th Airborne Division Amid Focus on Arctic Warfare

(by Steve Beynon, Military Times)

The Army on Monday activated the new 11th Airborne Division in Alaska, a historic move that brings the service's 12,000 soldiers in the state under a single banner.

The change will bring the service closer to its mission in Alaska of mastering the frigid, inhospitable Arctic terrain. Previously, two of its brigades were loosely associated with the 25th Infantry Division, an element known for its specialty in jungle warfare. The new division has also folded in U.S. Army Alaska, which mostly served a headquarters role in the region.

Support Adding Key Survivor Legislation to the FY 2023 NDAA

(by Mark Belinsky, Nat'l MOAA)

Each year, legislators use the must-pass National Defense Authorization Act (NDAA) as a vehicle for smaller defense-related legislation to become law. MOAA has supported three survivor-related bills this session which make perfect candidates for NDAA inclusion, and which would make significant improvements to the lives of this important part of our wider uniformed services community.

As the FY 2023 is drafted and marked up, reach out to your elected officials and ask them to support these important bills, either via the links or by using MOAA's toll-free line to the U.S. Capitol switchboard - 866-272-MOAA (6622) - to connect with your legislators' offices.

- Supporting Families of the Fallen Act (H.R. 3793|S.2794)
- Military Retiree Survivor Comfort Act (H.R. 2214|S. 1669)
- Caring for Survivors Act (H.R. 3402|S. 976)

The Army-Navy football rivalry will visit five cities over the next six year, with dates and locations announced through 2027.

Philadelphia, which will host the contest for the 90th time on Dec 10 of this year, won't see it again until 2027. In between, the game will take an East Coast swing through four cities:

- 2024: Washington, D.C. (FedEx Field, Landover, MD), Dec 14
- 2025: Baltimore, MD (M&T Bank Stadium), Dec. 13
- 2026: New York City (MetLife Stadium, East Rutherford, NJ), Dec. 11

The 2023 Army-Navy game will be the first held in the Boston area and comes on the 250th anniversary of the Boston Tea Party and 225th anniversary of the maiden voyage of the USS Constitution, the world's oldest commissioned warship afloat.

Surviving Spouse Corner 4 Resources for Older Adults

(by Renee Brunelle, Nat'l MOAA)

The community of military spouses, encompassing all past and present, is a resilient group of individuals. The ability to change plans in a moment's notice is a skill acquired over years of experience. The other amazing characteristic of military spouses is that we support each other and share tools, benefits, and resources no matter how long we have known each other.

Here are four such resources to consider:

VA Aid and Attendance: Also known as housebound allowance, VA Aid and Attendance might be able to provide a monthly financial benefit to assist with personal care services. Financial and physical considerations need to be investigated. Local veteran services organizations are a great place to get neutral information and support.

Geriatric Care Managers: Hiring these professionals can be an unmatched option of support for seniors who do not have family members close. They are social workers for hire who can be on a retained contract or situational contract in case of emergency needs. Their experience can help you navigate insurance coverage, emergency services, or placement recommendations if you are looking into senior living locations.

Board-Certified Elder Law Attorney: Often attorneys will list that they offer estate and/or elder law specialties. This is an important area in that "what you don't know will hurt you." A board-certified elder law attorney has a higher level of training and expertise. Learn more through the [National Elder Law Foundation](#).

Senior Real Estate Specialist (SRES): This designation for Realtors means that they have done advanced education for working with home buyers over the age of 50. Often, they have a network of additional businesses and services that will assist in making the real estate transaction as smooth as possible. Learn more through the [SRES Council](#).

VA Offers \$40 Million in Prizes for New Ideas to Reduce Suicides Among Veterans

(by Patricia Kime, Military Times)

The [Department of Veterans Affairs](#) is launching a contest that will dole out \$20 million in prizes to entrants with the best ideas for reducing the thousands of veteran suicides that occur in the U.S. each year.

The competition, called Mission Daybreak, seeks to bring in "fresh thinking, outside perspectives and innovative concepts" that the department could use to help save veterans. Top winners will take away prizes of \$3 million and \$1 million, while others will get \$250,000 and \$100,000 for chosen proposals, according to a website for the VA contest.

"To end veteran suicide, we need to use every tool available," VA Secretary Denis McDonough said May 25 in a press statement. "Mission Daybreak is fostering solutions across a broad spectrum of focus areas to combat this preventable problem."

ODJFS Offers Free Employment Services for Military Spouses

Ohio Department of Job and Family Services (ODJFS) Director Matt Damschroder announced that the agency is undertaking an extensive outreach effort to offer free individualized employment services to spouses of active and former military members.

“We understand the unique employment barriers faced by veterans, active military members, and their spouses,” Damschroder said. “We also understand the sacrifices spouses make when members of the military are transferred. Too often, spouses’ needs are overlooked. We want to change that, and let military spouses know that our employment professionals are ready, willing, and able to help them find new jobs.”
